Dear Community Member:

As you know supporting youth endows the future!! Please help make the Jets a success in 2010 by either a *direct donation* or placing a *program ad* in the 2010 Swim Invitational Program. This meet features over 1500 awards and 300 programs will be printed and distributed to over 700 attendees.

The Jamestown YMCA has organized swimming classes that introduce infants to the water, teach basic swim skills to youth and adults, and provide a plethora of aquatic opportunities to the community.

At the core of the YMCA Swim Program is the Jets Swim Team where teamwork, competition, and social activities are the primary focus. Many regional high schools trace their roots to the Jets Swim Program.
